

MAYOR IN CHASE

Witnesses Pursue Snatching but Fails to Catch the Thief.

OFFICER STOPS FOR HAT

And Let's Fugitive Escape—Daylight Robber Gets Away With Woman's Apparel.

While Mayor McCaskin was coming up Second avenue after the council meeting last night he was a witness of a pocketbook snatching. A woman who had been in company with a man in the vicinity of Sixteenth street raised an alarm, declaring her purse, containing \$10 had been stolen by the man, who had fled. The mayor caught a glimpse of his disappearing form and gave chase. The fugitive ran south on Sixteenth street and the mayor with his Prince Albert streaming in the wind was a close second as the police station was approached.

"Stop that man," shouted his honor, beginning to lose his wind.

A bareheaded officer looked out of the police station door and seeing what was going on returned to get his hat and join in the chase. By the time his sky piece had been recovered, the chase had been won by the alleged thief and he is still at large.

Stolen Woman's Clothing.

A stranger engaged a room over Wright's restaurant on Second avenue a couple of days ago. Yesterday he disappeared and it was found he had entered the room of a young lady who is visiting the family some time during the day and taken a quantity of wearing apparel that would seem to be of little use to him. The police have been given an accurate description of the fellow, but his name is unknown.

Mrs. Louise Knox, 513 Twentieth street, reports that her home was entered while she was away on a visit and a variety of articles, including a watch, a small savings bank with a couple of dollars in it and an alarm clock were taken.

The theft of a watch from a railroad man in the C. R. I. & P. yards was related to Officer McCarthy, but the party who lost the time-piece has not been heard from.

A peace warrant has been sworn out by Mrs. Joseph Muiser against her neighbor, Mrs. Merinda Petersen. The two reside on Fifth avenue, between Nineteenth and Twentieth streets, and the difficulty is the result of a neighborhood quarrel. The warrant was issued by Justice McFarlane.

THE WEATHER

Showers and thunderstorms this afternoon and tonight; Wednesday, fair, continued warm.

The northwestern area of low pressure covers the upper Missouri and extreme upper Mississippi valleys and the Canadian territory immediately to the northward.

Showers and thunderstorms are reported from scattered stations in the Rocky mountain region and the northwest, while light rains have been more general on the Atlantic slope and in the southern sections. A rainfall of 1.50 inches since yesterday morning is noted at Moorhead, Minn.

Higher temperatures prevail in the central valleys and along the Atlantic slope, with considerably warmer weather in northern Iowa.

Grave Trouble Foreseen.

It needs but little foresight, to tell, that when your stomach and liver are badly affected, grave trouble is ahead, unless you take the proper medicine for your disease, as Mrs. John A. Young, of Clay, N. Y., did. She says: "I had neuralgia of the liver and stomach, my heart was weakened, and I could not eat. I was very bad for a long time, but in Electric Bitters, I found just what I needed, for they quickly relieved and cured me." Best medicine for weak women. Sold under guarantee by Hartz & Ullemeyer, druggists, at 50c a bottle.
